- a. Editorial board member of the Jordan Journal of Economic Sciences (Jordan University).
- b. Referee to several regional and international Journal.

VII. Courses I Taught

A. Graduate Programs

1. Econometrics
2. Econometrics for Finance
3. Financial Institutions
4. Financial Economics
5. Applied Econometrics
6. Advanced Applied Statistics for Business
7. Marketing management
8. Managerial Economics
9. Mathematical Economics
10. Microeconomics
11. Macroeconomics
12. Strategic Economic Planning
13. Research Methods for Business Students
14. Economic Development and Growth
15. Monetary Theory
16. Operation Research
17. Entrepreneurship and Business Strategies

B. Undergraduate Programs

1. Financial Economics

2. Principles of Finance
3. Principles of Microeconomics Economics
4. Intermediate Microeconomics
5. Principles of Macroeconomics Economics
6. Intermediate Macroeconomics
7. Econometrics
8. Applied Statistics for Business and Economics
9. Quantitative Methods for Business
10. Compute Application for Finance
11. Financial Management
12. Economic Feasibility Study
13. Public Finance
14. Mathematical Economics
15. Business Research Methodology
16. Economic Planning
17. Money and Banking
18. Economic Planning

VI. Graduate Students Supervision

1. Qublan, N. (1998). The budget deficit and money growth, Yarmouk University, (Master Thesis).
2. Alahmed, M. (1998). The role of financial Institutions in Economic development, Yarmouk University, (Master Thesis).
