

Prof. Dr. Mohamed A.A. Alnuaimi

Personal Information

Mobile: +962796649727

Email: drmohamedalnuaimi@yhoo.com
m.nuaimi@ju.edu.jo

Address: Amman, Jordan

Date of birth: 6th June 1953

Nationality: Jordanian

Marital Status: Married

Profile

Prof. Dr. specializing in statistical sciences and quality management, with more than 40 years of experience in the field of statistics and its applications, quality management and scientific research. A consultant for many institutions in the field of quality, performance evaluation, and data analysis. With many publications, published research, and books. A quality consultant and a member of specialized committees in scientific research.

Education

PhD Degree in Statistics Science

Use of Time Series Approximation & Forecasting Methods

PhD Krakoff University,
Poland
1985

Master's Degree in Statistics Science

Applied Statistics and Use of Statistical Methods in Forecasting

Baghdad University- Iraq
1980

Bachelor's Degree in Statistical Science

Al-Mustansiriyah University – Baghdad, Iraq
1977

Academic Positions

- **Head of Statistics Department**
Al-Mustansiriya University - Iraq | 1986 - 1988.
- **Dean of the Institute of Management**
Baghdad | 1988 - 1994.
- **President** of Al-Qadisiyah University - Iraq | 1994 - 2000.
- **President** of Basra University - Iraq | 2000 - 2003.
- **Professor** of Graduate Studies at Amman Arab University | 2004 - 2008.
- **Deputy President** of Middle East Universities and **Dean** of Graduate Studies and Scientific Research | 2009 – 2015.
- **Professor** at the University of Jordan - College of Business | 2016 – Present.

Experiences

- Expert in Quality field.
- Expert in six sigma and lean six sigma.
- Expert in strategic planning and performance evaluation.
- Expert in Quality Center Fast TIC for Management - Jordan, 2017.
- Consultant of the Quality and Accreditation Center at the University of Jordan.
- Adviser to the Center for Creative Thinking and Decision Makers - Jordan.
- Arbitrator for the Abdul Hameed Shoman Prize for Scientific Research in the field of Business Administration.

Published Books

- Economics Theory and Measurement
Muhammad Abdul-Aal Al-Nuaimi - Kanaan Abdul-Latif
Al-Mustansiriya University - Iraq | 1990
- Design and analysis of experiments
Mohammed Abdel-Aal Al-Nuaimi - Rafad Al-Shehab - Ahmed Shehab Dar Wael - 1999 - Jordan - second edition in 2011.
- Six Sigma Achieving accuracy in quality performance - concepts and applications
Muhammad Abdul-Aal Al-Nuaimi - Rateb Khalil Jobs
Dar Al-Ithraa for Publishing and Distribution - UAE - 2008.
- Office automation
Muhammad Abdul-Aal Al-Nuaimi - Alaa Abdul-Razzaq
Dar Al-Manaheh 1999 - Restoration and restoration in 2005, Jordan
- Introduction to Statistics with applications on SPSS programs
Muhammad Abdul-Aal Al-Nuaimi - Abdul Rahman Al-Awdah
Dar Al-Warraaq, Jordan - 2009.
- Advanced statistics in decision support by focusing on the productive business organization
Muhammad Abdul-Aal Al-Nuaimi - Muayyad Al-Fadl
Dar Al-Warraaq - Jordan 2006.
- Applied Statistics
Mohamed Abdel-Aal Al-Nuaimi - Dr. Hassan Yassin Tohme
Dar Wael - 2008 - second edition 2015 - Jordan.
- The use of statistical methods in the design of scientific research
Mohamed Abdel-Aal Al-Nuaimi - Imad Annab
Dar Al Yazouri - Jordan 2011.

Consulting Expertise

- Member of many institutions in public and private sectors to provide consultations in the field of strategic plans and their preparation.
- Consultant in the field of employee performance evaluation 360 degrees.
- Consultant in the field of quality management and its application in private and governmental sector institutions.
- Consultations in the application of ISO 9001, ISO 14000 and ISO 27000 standards.
- Consultant in quality assurance for higher education institutions in many Arab countries.

Academic Experience

- **Professor** of Postgraduate Studies - College of Business - University of Jordan - Jordan.
- **Professor** of Postgraduate Studies - Middle East University - Jordan.
- **Professor** of Postgraduate Studies - College of Business - Amman Arab University - Jordan.
- **Professor** in many Iraqi universities (Baghdad, Al-Mustansiriya, Qadisiyah and Basra).

Scientific subjects and courses that were taught:

- Advanced Statistics for Business Administration - Postgraduate Studies.
- Quality Management - Postgraduate Studies - Bachelor's.
- Quality Management Systems - Postgraduate Studies.
- Selected Topics in Quality Management - Postgraduate Studies.
- The use of statistical methods in quality management - postgraduate studies.
- Scientific Research Curriculum - Postgraduate Studies.
- Designing scientific research methodology - postgraduate studies.
- Applications of special topics in quality - postgraduate studies.
- Statistical methods in scientific research - postgraduate studies.
- Econometrics and Mathematical Economics - Postgraduate Studies.

Memberships

- Elected member of the Higher Committee and Scientific Research in the Union of Arab Universities | 1997 - 2003.
- Member of the Higher Education Council and the Opinion Committee in Iraq, and a member of the Union of Arab Universities | 1994 - 2003.
- Member of many research centers and graduate studies in the Arab world.
- Member of the Scientific Committee in many scientific journals in the Arab world.

- Advanced statistics in educational sciences and field education with field applications on the SPSS package
Muhammad Abdul-Aal Al-Nuaimi - Hassan Marwan Al-Bayati
Dar Al-Warraq - Jordan 2005.
- Designing and analyzing experiments in scientific research
Mohammed Abdulaal Al Nuaimi
Dar Al-Warraq - Jordan 2006.
- Scientific Research Methods - Statistics in Scientific Research
Farid Abu Zina - Abdel Hafez Al Shayeb - Imad Ababneh - Mohammed Abdel Aal Al Nuaimi
Dar Al Masirah - Jordan 2005.
- Statistical methods using the MATLAB package
Muhammad Abdul-Aal Al-Nuaimi - Mazhar Shaaban Al-Ani
Dar Wael - Jordan - 2008.
- Methods and methods of scientific research
Muhammad Abdul-Aal Al-Nuaimi - Abdul-Jabbar Tawfiq Al-Bayati - Ghazi Majal Abu Khalifa
Dar Al-Warraq 2009 - second edition 2011 - third edition 2013 - fourth edition 2016.
- The role of strategic thinking management wisdom.
An analytical study of the patterns of strategic thinking in Jordanian universities.
A doctoral thesis that she supervised and then printed as a book on the recommendation of Jinan University.
Yaqoub Nasser Al-Din - Bassam Hegazy - Muhammad Abdel-Aal Al-Nuaimi - Middle East University - 2013
- Advanced statistical methods - multivariate in scientific research.
Mohammed Abdulaal Al Nuaimi
Dar Wael - Jordan - 2019

- Member of the European Quality Management Association and ISO - Austria.
- Member of the American Society.
- Member of Quality Assurance for Higher Education - Arab Network - 2010.
- Elected member of the Accreditation and Quality Assurance Committee - Union of Arab Universities | 2008-2011.
- Member of advisory and scientific bodies for many scientific journals in many Arab universities and research centers.
- Member of the Higher Committee for Strategic Planning of the University of Jordan.
- Member of the Higher Committee of the King Abdullah II Award for Excellence in Public Universities - Jordan.
- Member of the Postgraduate Studies Committee at the College of Business - University of Jordan.
- Member of the Global Institute for Government and Sustainable Development - Jordan.
- Member of The Arab Distinguished Researcher Award Jury.
- Member of the Committee to Advance the Reality of the Middle Alfurat Governorates - Iraq.

Training Courses and Certificates

- Accredited Certificate in Training of Trainers (TOT) from the American Institute in United Arab Emirates.
- Holds an auditor and examiner certificate in ISO 9001 at SGS Academy - Jordan.
- Accredited certificate from the Center of Excellence in the King Abdullah II Award for Excellence - 2021.
- Taught several training courses in the field of six sigma and lean six sigma to obtain the Green Belt.
- Advanced courses in the field of spreading awareness of quality management - UAE, Jordan, Lebanon, Tunisia and Bahrain.
- Multiple courses in the field of strategic planning, employee performance evaluation, and simplification of work procedures.
- Specialized courses in the use of statistical analysis for future predictions.
- Courses in creative thinking.
- Guide to the needs of beneficiaries of the services of charitable societies in the Kingdom of Saudi Arabia.
Laith Al-Rubaie - Muhammad Abdul-Aal Al-Nuaimi - Jamal Al-Jubouri
Umm Al-Qura University - Kingdom of Saudi Arabia - 2015
- Several courses in the field of analyzing the gap between the plan and the implementer and addressing failures.
Courses in the field of good governance, sustainability, and utilization of available resources.
- Courses in university administration and decision-making.
- There are many courses, most of them on other subjects, implemented in Jordan and some Arab countries

- Special Topics in Quality Iso's – Six sigma& Lean six sigma case studies
Dar Amna - Jordan - 2019
- The cleaning structure for educational and psychological guidance in university education.
Muhammad Abdul-Aal Al-Nuaimi - Saeed Jassim Al-Asawi
Dar Amna - in press
- Total Quality and Supply Chain Management - Tools and Application Professionalism.
Muhammad Abdul-Aal Al-Nuaimi - Abdul-Sattar Yusuf Al-Shamri
Dar Amna - in press

Research, Scientific Participations

- Published more than 150 scientific papers in international, Arab, and local journals - in the field of quality management, strategic planning, data analysis, building models for future predictions and time series.
- Published 30 books in the field of scientific research, statistical methods and its applications, quality management, Six-Sigma, scientific research design, econometrics, decision-making, and other books in the field of planning to build a quality system in higher education.
- Supervised more than 300 postgraduate students, master's, and doctorate in many Arab universities.
- Participated in more than 60 international, Arab, and local scientific conferences in scientific research.
- Presented many studies in the field of scientific research, university classification and the reality of Arab higher education in many scientific forums in the Arab world.
- Contributed to the preparation of many guides in the field of government performance evaluation.
- • Arbitrator and assessor for international and Arab journals and assessor for scientific research for the purposes of scientific promotion and publication for many Arab universities.

Honors and Awards

- Holds many honors and awards in the field of scientific research, university administrative work, scientific committees, and consultations that I provided to many government institutions and the private sector.
- Contribute as a consultant to the Licensing Department - Marka.
- Holds the King Abdullah II Award for Excellence - 2008.
- Holds many honors and awards in Iraq for the purposes of scientific research, scientific initiatives and supporting scientific activities.
- • Honor from the Iraqi Ministry of Education and Higher Education for working and contributing to the establishment of Wasit University - Iraq.
