** Princess Sumaya University for Technology from February 2016 until February 2017.

Position: Full-time Assistant Professor

*** Applied Science University from June 2009 till February 2016.
Position: Full-time Assistant Professor

**** The University of Jordan. (2009 till February 2017 as part-time):

- a) The Accounting Department. On continuous basis I did the following programs: Principles of Accounting I, Principles of Accounting II, Intermediate Accounting I, Intermediate Accounting II, Advanced accounting, and Managerial Accounting.
- b) The Industrial Engineering Department. I did five courses in Cost Accounting for Industrial Engineers. (2010-2012)

***** Sarh International Group for professional certificates (2011 till now), I am in charge of preparing and teaching different topics in the area of accounting as well as finance to professional candidates joining the Jordanian Certified Public Accountant (JCPA) and the American certificate of Certified Managerial Accountant (CMA).

***** The Applied Science University (ASU). I was in charge of coordinating and teaching professional certificates such CMA in addition to different courses in accounting.

Professional Experience:

- Bank of Jordan, Amman, Jordan, 2000-2004. Head of the Facilities Section. I was in charge of preparing the Credit Report (CR) where financial as well as credit analyses are performed for the purpose of granting direct or indirect facilities. This includes the responsibility of assessing different types of risk for customers on periodic basis, granting loans, following up these loans, valuing customers' assets and liabilities to assess their financial strength, flexibility, and ability to meet their obligations when due. This also requires considering both of companies' systematic and unsystematic risks. Finally, on an annual basis, preparing forecasting budgets covering a 15- month period was one of my main duties.

- Jordan Gulf Bank, Head Office, Amman, Jordan 1998-1999. Facilities Department.

- Arab Bank, Amman, Jordan, 1993-1996. Departments covered: Deposits, Foreign Exchange, and Transfers.

- Attended more than 30 different training courses in different bank sections, many of them explored how to make credit decisions, assessing and controlling risk, performing feasibility studies.
